

## **The Death Of A Dream**

Watching my very own  
Wedding movie  
In reverse

Noticing smiles  
Being swallowed up,  
Imploding

Tears of joy  
Returning  
To lost  
And forgotten source  
Of happiness

Bride and groom  
Undo sacred  
Vow

The best man  
Becomes worst  
As he sucks back  
The ring

And then to  
See  
In front of unarmed eyes,  
Family and friend  
Parading backward

Leaving  
Like the dinosaurs  
At the end  
Of their time
